The following statement was entered into the record for Supervisors Antonovich and Knabe:

“More than 40 years ago, the City of Los Angeles began acquiring over 17,000 acres of land located in an unincorporated area of the County near U.S. Air Force Plant 42, for the purpose of developing an expanded airport in Palmdale that would serve the regional airport needs of Southern California and relieve congestion at LAX. Since then, the City has failed to develop this property for airport uses.”

Therefore, on motion of Supervisor Antonovich, seconded by Supervisor Knabe, unanimously carried, the Chief Executive Officer was directed to prepare and transmit a letter to the Executive Director of the Los Angeles World Airports, the members of the City of Los Angeles Board of Airport Commissioners, and the City of Los Angeles Mayor's Office, containing the County's formal request that Los Angeles City set forth, in detail, its future plans for the undeveloped property located in the unincorporated area of the County adjacent to the Palmdale Airport.
